

# Village Hall & Pool

By George Davis  
General Manager

The record setting heat pushed the pool attendance numbers to new highs. We had 1,934 individual visits by our pool members, and served 292 guests during the month of July. During that same period we had 1,630 in attendance in the Fitness Center. On the upcoming Labor Day holiday weekend, the pool will remain open until 7:00 PM daily. The building and Fitness Center will be closed on Saturday 9/4, Sunday 9/5, and Labor Day Monday 9/6. During these three days you may access the Fitness Center from 5:00 AM until 10:00 PM by utilizing your keypad access code. If you need a pass code and haven't signed up yet, just stop by the Fitness Center and the ambassador on duty will be glad to assist you. Our library also saw a busy summer month with 139 books being checked out during the month. I want to acknowledge all of you who have donated books to our facility, and also to the library volunteers who work so diligently in keeping the library in order. July also saw us host 89 meetings or events in the Village Hall. I also want to acknowledge the group of volunteers who staff the Village Hall reception office. If you're interested in joining this group in the fall, please let me know. We usually

schedule each volunteer for one four hour shift per week from 9:00 AM until 1:00 PM, or from 1:00 PM until 5:00 PM. Our water aerobics and yoga classes continue to be very popular. Once everyone is back from the summer vacations, I expect the attendance in these two classes will continue to grow. Let me also include a quick reminder that the Social Committee is selling The Villages at West Neck logo decals for only \$5.00. For years, many of you have displayed a window sticker on your car for The Signature at West Neck. Now you can also have one that represents your own community. These high quality decals will adhere to any surface that is clean and smooth, and you may use them in both interior and exterior applications. See the Village Voice column in this *Village News* to see a picture of the sticker which is 4 inches square. All proceeds from sale of these decals will go to the Social Committee. They're on sale now at the Village Hall reception office. Believe it or not, the cooler weather and holiday season are just around the corner. If you still need to make any holiday reservations for parties at the Village Hall, please do so as soon as possible. We already have many dates reserved, so don't forget about making your plans and checking on date and time availability. Just give me a call at 689-4189 at the Village Hall, and I'll be glad to assist you. As always, thanks for your continuing support.
