Jim Novelli of Carrollton

writes: The following message is for any U.S. Naval Academy graduates, classes of

1961 and 1962. I have an ARMY-NAVY souvenir football from the games played in November 1960 and 1961. Both footballs are autographed by the teams and the coaching staffs. If you were a "firstie" at either game (Navy won them both) and would like to own the corresponding ball, please contact Jim Novelli (Carrollton residence) at 426-1970. They are free to a good home.

Peter Cousin write: This coming August 30th in 1960, something wonderful happened. Andrea Sue was born to Martha and "Buck" Adams in Roanoke, Virginia, a place I never heard of back then but was destined to know and love in the future. On that day, life became a little happier, smiles became a little wider, flowers became more vibrant, birds chirped a little louder and 23 years later my life would be forever changed for the better. Happy 50th Birthday baby girl! I love you.
